## Job description

We are hiring freelance **English & German** speaking Online Data Analyst's for a project aimed at improving the content and quality of digital maps, which are used by millions of users globally. The job would suit someone who is detail-oriented, likes doing research and has a good knowledge of national and local geography.

This is a **freelance** position on a **flexible schedule** - you can work in your own time whenever work is available. You will be completing research and evaluation tasks in a web-based environment, eg verifying and comparing data, determining the relevance and accuracy of information. You will be provided with guidelines for each task, which need to be followed. The project offers a variety of tasks, and work is paid per task.

## Requirements

- Full Professional Proficiency in **English & German**
- You must be living in **Germany** for the last 2 consecutive years
- Ability to follow **guidelines** and do **research** online using search engines, online maps and website information
- You must have familiarity with current and historical business, media, sport, news, social media and cultural affairs in **Germany**.
- Being open to work across a diverse set of Task Types (e.g. Maps, News, Audio tasks, Relevance)
- Willingness to learn and adapt to changing guidelines and tasks

Working on this project will require you to go through a standard recruitment process (including passing an open book assessment). This is a **long-term project** and your work will occasionally be subject to quality assurance checks.

## Why Join the TELUS International AI Community?

- Earn additional income with flexible hours to fit your lifestyle
- Better work-life balance
- Be your own boss
- Complimentary well-being package, encompassing a wealth of well-being resources
- Be part of an online community

## Payment

- Rate of pay per task is inclusive of reading task guidelines. Payment will be issued in accordance with the terms of the contributor agreement upon successful completion of tasks.
